### **NOTE 1 – GENERAL INFORMATION**

PRIVATE II WEALTH MANAGEMENT (hereafter the « Company ») was incorporated on June 4<sup>th</sup>, 2012, under the laws of Luxembourg as a société à responsabilité limitée for an unlimited period.

The registered office is established in Luxembourg-City.

The object of the Company is the rendering of advisory, management, accounting, marketing, distribution and administrative services, as the case may be in its capacity as general partner (associé commandité), of Private II Wealth Management SCA-SIF or one or more Luxembourg regulated investment funds to be created in the future and which would be initiated by Banque Internationale à Luxembourg or by one of its affiliates.

The Company may in addition provide secretarial, accounting and other administrative services authorised by applicable laws and regulations to companies it manages and take any measures, as well as carry out any operation which it may deem useful in the accomplishment and development of its purposes.

The financial year starts on January 1st and ends on December 31<sup>st</sup> of each year except the first financial year which begins on the day of the incorporation and ends on December 31<sup>st</sup>.

The company is, based on the article 309 of the Law of August 10<sup>th</sup>, 1915, on Commercial Companies, as amended, is exempted from the obligation to draw up consolidated financial statements and consolidated management report for the year ended as at December 31<sup>st</sup>, 2015. Therefore, in accordance with the legal provisions, these annual financial statements were presented on a non-consolidated basis to be approved by the partners at the Annual General Meeting.

### **NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### **2.1 General principle**

The annual accounts have been prepared under the historical cost convention in accordance with Luxembourg legal and regulatory requirements.

#### **2.2 Summary of significant accounting policies**

##### **Foreign currency translation**

The annual accounts of the company are expressed in EUR. Transactions in foreign currencies other than EUR are converted into EUR at the exchange rate at the time of the transaction. The conversion at the balance sheet date follows these rules:

- shares in affiliated companies, participating interests and securities held as fixed assets expressed in currencies other than EUR are translated into EUR at the exchange rate effective at the time of the transaction. At the balance sheet date, these assets remain translated at historic exchange rates;
- cash at bank is translated at the exchange rate effective at the balance sheet date. Exchange losses and gains are recorded in the profit and loss account of the year;
- other assets and liabilities are translated separately respectively at the lower or at the higher of the value converted at the historic exchange rate or the value determined on the basis of the exchange rate effective at the balance sheet date. The unrealised exchange losses are recorded in the profit and loss account, the unrealised gains are recorded in liabilities in an account of difference conversion. The realised gains are recorded in the profit and loss account at the moment of their realisation;
- the income and charges expressed in currencies other than EUR are converted into EUR at the exchange rate effective at the time of the transaction.

##### **Formation expenses**

Formation expenses are amortized on a line basis over 5 years.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)****Financial assets**

Shares in affiliated undertakings, shares in undertakings with which the company is linked by virtue of participating interests, investments held as fixed assets are valued at their at the purchase price including the expenses incidental thereto. The loans are valued at their nominal value.

In case of a durable depreciation in value according to the opinion of the Board of Managers, value adjustments are made in respect of these financial assets, so that they are valued at the lower figure to be attributed to them at the balance sheet date. These value adjustments are not continued if the reasons for which the value adjustments were made have ceased to apply.

**Debtors**

Debtors are valued at their nominal value. A value adjustment is made when their reimbursement is partly or completely in doubt. These value adjustments are not continued if the reasons for which the value adjustments were made have ceased to apply.

**Prepayments and accrued income**

This asset item includes expenditure incurred during the financial year but relating to a subsequent financial year.

**Provisions**

Provisions for liabilities and charges are intended to cover losses or debts the nature of which is clearly defined and which, at the date of the balance sheet are either likely to be incurred or certain to be incurred but uncertain as to their amount or as to the date on which they will arise.

**Creditors**

Creditors are recorded in the balance sheet at their nominal value or, if the need arise, at their residual value.

**Prepayments and deferred income**

This liability item includes income received during the financial year but relating to a subsequent financial year. This item also includes unrealised exchange gains at the balance sheet date.
